AMENDMENT TRACKER

Name of reviewer: Martin Higgon

Date of review: March 2019

Summary of all changes being proposed in this policy review:

At the end of this document a list of other policies to refer to for more detailed information has been added.

The School has a policy of entering all students for public examinations and BTEC qualifications on the basis that they meet the following criteria:

- Coursework requirements have been met
- The student has attended school regularly
- No mobile phones, electronic devices or watches in the exam venue
- The student has their school ID card for all exams
- Correct equipment brought to exams

If the above criteria are not met it can jeopardise the timely receipt of results.

For GCSE and A Level studies, depending on attendance, students will be interviewed in January, prior to making exam entries. Approximately one month in advance of the examinations season, students will receive Statements of Entry, a timetable and other relevant information.

Initial entries will be paid for by the School. However, parents/students may need to meet the cost of any re-takes prior to entries being made.

The School prides itself on the support it gives to individual students, before and during examinations. Where necessary, the school will liaise with the examination boards to support students and in particular, should it be necessary, seek Special Consideration where students are disadvantaged due to circumstances beyond their control. The School will decide the level of entry for students. If parents wish to make an appeal against the advice of the Head of Subject, fees incurred will be collected prior to the examination entries/amendments being made.

Reasonable adjustments will be made to the seating plan for exam in light of a diagnosed condition.

For more detailed information please refer to the following policies:

- Exam contingency policy
- Internal appeals procedure
- Disability policy (exams)
- Use of word processor in examinations policy
- Data protection policy
- Child protection/safeguarding policy
