

Dear Parent/Carer,

Developing vocabulary is important and at HDHS we put a lot of emphasis on students of all abilities improving and extending their vocabulary. All Year 10 and 11 students have access to Bedrock vocabulary which is a website where students learn new words and are tested on their vocabulary. I would encourage all Year 10 and 11 students to complete these online lessons outside of school as it will benefit their learning and progress in all subjects. Each lesson takes 20 minutes. Once a student completes a lesson there is a 48 hour lock on the lessons before the next lesson can be completed. Students have been given an individual username and password to log into the website. Below is a link to Bedrock but it can also be accessed on the home page of all student accounts.

<https://www.bedrocklearning.org/>

If you require further information, please let me know.

Kind regards,

Ray Gallagher,

Head of English
